

Broda Pedal Chair

The Broda Pedal is ergonomically designed to encourage self-mobility and helps prevent wandering. It is designed for use by individuals who need support while sitting. It has a suspension system of straps that conform individually to the user's body, suspending the user's weight across multiple points.

UNIT SPECIFICATIONS:

- Seat Width: 18", 20", 22", or 24"
- Seat Depth: 17"
- Seat Height: 12.5" to 17.5"
